Issue 6

The Monster Under My Bed!

A story about the scariest night... that turned into the best night.

It was the middle of the night. Everyone was fast asleep.

Everyone... except something under the bed.

bump...

BUMP!

W...what was THAT?

grrrRRRrrr...

scratch...scratch...

There is definitely something under my bed.

Definitely definitely definitely.

PAPA! There is a MONSTER under my BED!

Papa did not hear her.

Okay. I am brave. I am VERY brave.

I am a tiny bit brave.

She looked.
Very slowly.
Very carefully.

bump...

AAAHHHHH!

AAAHHHHH!

Eat you?!
I thought YOU
were going to
eat ME!

P-p-please
don't eat me!!

The monster...
was more scared than Sia.

YOU
scared ME!

YOU
scared ME!

I WAS
HERE FIRST!

I just wanted to
find my way home...
I am VERY lost.

Some questions are better left until morning.

The End!
